INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Bauer Family Resources, Inc.
Lafayette, Indiana

Report on the Financial Statements

We have audited the accompanying financial statements of Bauer Family Resources, Inc., which comprise the statements of financial position as of December 31, 2014 and 2013, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

INDEPENDENT AUDITOR'S REPORT--CONTINUED

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Bauer Family Resources, Inc. as of December 31, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated August 20, 2015, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

December 31, 2014 and 2013

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the Bauer Family Resources, Inc.'s significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

- A) **Nature of Operations**--Bauer Family Resources, Inc. (the Organization) was formed in 1929 and incorporated in 1957 as a not-for-profit corporation located in Lafayette, Indiana. The Organization serves the citizens of Tippecanoe County by providing programs, services, and resources that improve the quality of life of children, adults, and families. The Organization's primary sources of revenue and support are through government grants, program fees, and the United Way.
- B) **Use of Estimates**--The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.
- C) **Cash and Cash Equivalents**--For the purpose of the statements of cash flows, the Organization considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.
- D) **Accounts, Grants, and Program Receivables**--Accounts receivable include reimbursements owed to the Organization. Grants receivable include various federal, state, and local claim amounts owed to the Organization for services provided to the public along with additional grants awarded to the Organization from other sources. Program receivables include program fees owed to the Organization. Management determines the allowance for doubtful accounts by identifying troubled accounts. Recoveries of receivables previously written off are recorded when received.
- E) **Contributions**--In accordance with Accounting Standards, contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence or nature of any donor-imposed restriction.

BAUER FAMILY RESOURCES, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2014 and 2013

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

- F) **Unconditional Promises to Give**--Contributions are recognized when the donor makes a promise to give to the Organization that is in substance unconditional.
- G) **Refundable Advances**--At times, various granting agencies will advance grant funds to the Organization. Refundable advances represent funds received from granting agencies that have not yet been earned by the Organization. If the Organization never earns the advance, then the advance must be returned to the granting agency.
- H) **Advertising**--Advertising costs are expensed as incurred. During 2014 and 2013, advertising costs totaled \$3,353 and \$1,347, respectively.
- I) **Property, Plant and Equipment**--Property, plant and equipment are recorded at cost. If donated, the cost is the fair market value at the date of receipt. Depreciation is provided for in amounts sufficient to relate the cost of depreciable assets to operations over their estimated service lives on a straight-line method. Maintenance, repairs, and minor renewals are charged to operations as incurred. Improvements and major renewals are capitalized. Upon the sale or disposition of properties, the asset account is relieved of the cost and the accumulated depreciation account is charged with depreciation taken prior to the sale. Any resultant gain or loss is credited or charged to operations. The Organization's policy is to capitalize property, plant and equipment with a value of \$5,000 or greater and a useful life greater than one year. Depreciation expense was \$167,585 and \$175,230 for the years ended December 31, 2014 and 2013, respectively.

The Organization owns a building and equipment purchased with Head Start funding. In the event the Organization decides to no longer use the building, they are required to notify Head Start for instructions regarding disposition. In the event the Organization decides to no longer use a piece of equipment valued at \$5,000 or more, the Organization is required to notify Head Start of their intentions. The Organization may elect to purchase the equipment from Head Start and use the piece of equipment in other functions within the Organization. Head Start will determine the purchase price. If the Organization has no need for the equipment, Head Start will instruct the Organization within 120 days with disposition instructions.

BAUER FAMILY RESOURCES, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2014 and 2013

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

J) **Donated Goods and Services**--The Organization records various types of in-kind support including property and equipment, office space, professional services, and materials. Property and equipment donated are capitalized on the basis explained above. Contributed professional services are recognized if the services either create or enhance long-lived assets, or require specialized skills and would typically need to be purchased if not provided by the donation. Contributions of supplies and materials are recognized at fair market value when received.

A substantial number of unpaid volunteers have made significant contributions of their time to operate the Organization. Except for the Head Start and Early Head Start Programs, the value of this contributed time is not reflected in these statements.

The Department of Health & Human Services has set forth specific guidelines to value the donated services, called "in-kind contributions," which is reported in the Head Start and Early Head Start Programs.

In-kind contributions were as follows for the years ended December 31:

	<u>2014</u>	<u>2013</u>
Salaries and Fringe Benefits	\$ 179,382	\$ 195,462
Travel	8,297	15,060
Rent/Occupancy	483,139	558,685
Material and Supplies	21,062	59,824
Services	<u>7,450</u>	<u>1,425</u>
	<u>\$ 699,330</u>	<u>\$ 830,456</u>

K) **Net Assets**--In accordance with Accounting Standards, the net assets of the Organization are reported in each of the following three classes:

- a) **Unrestricted Net Assets**--Net assets that are not subject to donor-imposed stipulations.
- b) **Temporarily Restricted Net Assets**--Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Organization and/or the passage of time.

BAUER FAMILY RESOURCES, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2014 and 2013

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

K) Net Assets (Continued)--

- c) **Permanently Restricted Net Assets--**Net assets subject to donor-imposed restrictions stipulate that the assets be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned on any related investments for general or specific purposes.

All donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets, depending on the restriction. When a restriction expires, (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Restrictions on gifts of fixed assets or contributions restricted for the purchase of fixed assets expire when the asset is placed in service, unless otherwise noted by the donor. This method of accounting is also followed when the restrictions on contributions are met in the same period that the contributions were received.

- L) **Income Taxes--**The Organization is incorporated in the state of Indiana and is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and similar provisions of the State Code. The Organization is classified as a publicly supported organization rather than a private foundation under Section 509(a)(1). Contributions to the Organization are deductible for income tax purposes.

Accounting standards require entities to disclose in their financial statements the nature of any uncertainties in their tax position. Tax years including 2011 and later are subject to examination by tax authorities. Areas that IRS and state tax authorities consider when examining tax returns of a charity include, but may not be limited to, tax exempt status and the existence and amount of unrelated business income. The Organization does not believe that it has any uncertain tax positions with respect to these or other matters, and therefore has not recorded any unrecognized tax benefits or liabilities. The Organization is not aware of any circumstances or events that make it reasonably possible that tax benefits or liabilities may increase or decrease within 12 months of the date of these financial statements.

NOTES TO FINANCIAL STATEMENTS

December 31, 2014 and 2013

NOTE 16: FAIR VALUE MEASUREMENTS

The Organization follows Accounting Standards which provides a framework for measuring fair value. Accounting standards define fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. Accounting standards require that valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. Accounting standards also establish a fair value hierarchy, which prioritizes the valuation inputs into three broad levels.

There are three general valuation techniques that may be used to measure fair value, as described below:

- A) **Market approach--**Uses prices and other relevant information generated by market transactions involving identical or comparable assets or liabilities. Prices may be indicated by pricing guides, sales transactions, market trades, or other sources.
- B) **Cost approach--**Based on the amount that currently would be required to replace the service capacity of an asset (replacement cost); and
- C) **Income approach--**Uses valuation techniques to convert future amounts to a single present amount based on current market expectations about the future amounts (including present value techniques, and option pricing models). Net present value is an income approach where a stream of expected cash flows is discounted at an appropriate market interest rate.

Assets were measured at fair value during the years ended December 31, 2014 and 2013. The market approach was used for Level 1.

BAUER FAMILY RESOURCES, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2014 and 2013

NOTE 16: FAIR VALUE MEASUREMENTS (Continued)

Financial assets valued using level 1 inputs are based on unadjusted quoted market prices within active markets. Financial assets valued using level 2 inputs are based primarily on quoted prices for similar assets in active or inactive markets. Financial assets using level 3 inputs were primarily valued using managements assumptions about the assumptions market participants would utilize in pricing the asset. Valuation techniques utilized to determine fair value are consistently applied.

Fair values of assets measured at December 31, 2014 and 2013 are as follows:

	<u>Fair Value Measurements at Reporting Date Using:</u>

NOTE 17: ENDOWMENT

The Organization's endowment includes donor-restricted endowment funds. As required by generally accepted accounting principles, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law

The Organization has interpreted UPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with the Act, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The purposes of the Organization and the donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the Organization
- (7) The investment policies of the Organization

Return Objectives and Risk Parameters

The terms of the Organization's endowment specify that the Organization is to rely on financial advisors to manage the funds. Return objectives and risk parameters are also left to the discretion of these financial advisors. The selection of financial advisors is left to the discretion of the Organization.

Strategies Employed for Achieving Objectives

The Organization relies on financial advisors to also manage and provide return strategies to realize funds needed for the general benefit and welfare of the residents of that part of the city of Lafayette, Indiana which is served by the Bauer Community Center.

Spending Policy and How the Investment Objectives Relate to Spending Policy

On an as needed basis, a consulting board meets to discuss the requirements of the residents served by the Bauer Community Center. This consulting board makes recommendations to the Board of Directors regarding expenditures from the temporarily restricted portions of endowment funds.

NOTE 18: COMMITMENTS

Claims arising in the normal conduct of business are pending. In the opinion of management, the ultimate disposition of these matters will not have a significant impact on the financial position of the Organization.

NOTE 19: SUBSEQUENT EVENTS

The Organization has evaluated subsequent events through August 20, 2015 the date which the financial statements were available to be issued.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Bauer Family Resources, Inc.
Lafayette, Indiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Bauer Family Resources, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2014 and 2013, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated August 20, 2015 .

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Bauer Family Resources, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS--CONTINUED

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Bauer Family Resources, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. The report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report on Compliance for Each Major Federal Program

We have audited Bauer Family Resources, Inc.'s compliance with the types of compliance requirements described in the *OMB Circular A-133, Compliance Supplement* that could have a direct and material effect on each of Bauer Family Resources, Inc.'s major federal programs for the year ended December 31, 2014. Bauer Family Resources, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Bauer Family Resources, Inc.'s, major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Bauer Family Resources, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination on Bauer Family Resources, Inc.'s compliance.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY OMB CIRCULAR A-
133--CONTINUED**

Opinion on Each Major Federal Program

In our opinion, Bauer Family Resources, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2014.

Report on Internal Control over Compliance

Management of Bauer Family Resources, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Bauer Family Resources, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Bauer Family Resources, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY OMB CIRCULAR A-
133--CONTINUED**

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this is not suitable for any other purpose.

SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS

For Year Ended December 31, 2014

I. FINANCIAL STATEMENT FINDINGS

2013-01 CASH DISBURSEMENTS

Condition: The Organization did not consistently follow adequate internal control procedures over the review and approval of cash disbursement transactions.

Criteria: The Organizations should retain evidence that proper review and approval of cash disbursements is taking place throughout the year.

Cause: Turnover in the accounting department caused inconsistent application of prescribed internal control policies over cash disbursements at certain times throughout the year.

Effect: We noted two control deviations. First, four out of forty-five items tested did not have properly approved purchase orders. Second, evidence of the treasurer's review of check registers could not be found for a significant portion of the year.

Recommendation: The Organization should follow its internal control policies regarding review and approval of cash disbursement transactions.

Current Status: In 2014, proper controls over the review and approval of cash disbursement transactions were implemented. As of December 31, 2014, the Organization did not have any deviations over cash disbursements that could have a direct and material effect over the financial statements.

2013-02 MATCHING REQUIREMENT

Condition and Criteria: The Head Start grant requires at least 25% of the cost of the program (20% of the federal funds received) be received through cash or in-kind contributions. The Organization fell short of the total match requirement due to errors in the calculation of in-kind contributions. In addition, lack of support was evidenced during our testing. This condition also affects the internal control structure at the compliance level as it relates to controls over the matching requirement.

BAUER FAMILY RESOURCES, INC.

SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS

For Year Ended December 31, 2014

2013-02 MATCHING REQUIREMENT (Continued)

Context: Since we did not test 100% of the in-kind transactions, the total actual error is unknown, however the projected shortfall was \$3,664 based on an extrapolation of the error for the grant ending June 30, 2013. This lack of internal controls is deemed a significant deficiency. The internal control process failed to identify or correct the noncompliance with matching requirements in a timely manner.

Cause: A lack of extensive review over the calculation of the in-kind matches led to various errors in the calculated and reported amount along with lack of supporting documentation. This caused the Organization to be unaware that the non-federal match requirement was not met.

Effect: Because the Organization failed to meet the required match for the program, the Organization is not in compliance for the 18 month grant period ended June 30, 2013.

Auditor's Recommendation: We recommend the calculation and supporting documentation for in-kind be regularly reviewed extensively by the CFO or his designee to ensure accuracy and compliance with the matching requirements.

Current Status: In 2014, proper controls over reviewing supporting documentation for in-kind were implemented. As of December 31 2014, the Organization met the 25% matching requirements.
