Description: Provides low-cost legal assistance to low income residents of Tippecanoe County that cannot otherwise obtain an attorney. Legal Aid works in the general area of family law, including divorce, child custody and visitation, landlord/tenant cases, guardianship, adoption, mental commitment defense, consumer debt and small claim defense, CHINS (child in need of services) cases, and some other matters. Legal Aid does NOT do work in these areas: criminal cases, bankruptcy and other Federal matters, tort defenses, situations where the applicant wants to sue someone else, or where there are enough resources to obtain a private attorney. Most situations where a person wants to collect child support or establish paternity will be referred to the Prosecutor’s IV-D office. Does not provide legal assistance over the phone, an application must be filled out, qualifications be met before an appointment is scheduled with an attorney.

(765) 742-0244 (24 hour hotline)
Provides free and confidential crisis intervention, suicide prevention, information, and referral services. Trained volunteers offer a supportive listening ear to callers or walk-ins. **Rape Survivor Advocacy & Prevention**
(765) 742-0244 (24 hour line)
Provides trained female and male advocates to accompany survivors of rape/sexual assault to hospital emergency room, police station, or courtroom.
Advocates provide a listening ear, referrals, and information about procedures a rape survivor may go through at the hospital if they decide to prosecute. Does not provide transportation.

Calls are handled through the Crisis Center. A Crisis Center volunteer will assess the situation and decide if an advocate is required. If so, the caller must be willing to leave a name and phone number so the advocate can call them back and/or arrange where to meet them (at a hospital or police station). Advocates will not enter the home of anyone. Advocates can also be requested by local hospitals or police personnel through the Crisis Center.
