The program is offered at no charge to families and is held at Sunnyside for youth in 5th and 6th grade and at the Bauer Community Center for youth in 3rd and 4th grade. The goal of the program is to provide youth an academic enrichment program aligned with the Indiana Academic Standards which promotes out-of-school learning. Programming includes tutoring, a literacy-focused curriculum, a broad range of academic and personal enrichment activities, and an afterschool snack. The Lafayette School Corporation provides transportation to Bauer Community Center, for Sunnyside Intermediate School students, where additional recreational activities and dinner occur.

The program's goal is to divert students from more punitive sanctions including in-school and out-of-school suspension, and expulsion. The program integrates components of the *40 Developmental Assets* to strengthen youth's relationship with the school by setting clear and consistent school boundaries, providing youth an opportunity to take responsibility for their behavior, as well an opportunity to give back to their community and develop resistance skills.

Crisis Intervention

(765) 742-0244 (24-hour hotline)

Provides free and confidential crisis intervention, suicide prevention, information, and referral services. Trained volunteers offer a supportive listening ear to callers or walk-ins. This means listening "actively" to people while they search for solutions to their problems. Provides appropriate and comprehensive referrals to other community services and support groups through an electronic database.

Teen Line

(765) 423-1872 (24-hour hotline)

Provides free and confidential listening ear to area teens about problems they want to discuss. Also provides referrals to area services and support groups.

Rape Survivor Advocacy & Prevention

(765) 742-0244 (24-hour line)

Provides trained female and male advocates to accompany survivors of rape/sexual assault to hospital emergency room, police station, or courtroom. Advocates provide a listening ear, referrals, and information about procedures a rape survivor may go through at the hospital if they decide to prosecute. Does not provide transportation. Calls are handled through the Crisis Center. A Crisis Center volunteer will assess the situation and decide if an advocate is required. If so, the caller must be willing to leave a name and phone number so the advocate can call them back and/or arrange where to meet them (at a hospital or police station). Advocates will not enter the home of anyone. Advocates can also be requested by local hospitals or police personnel through the Crisis Center.
